Hag 3) The complaint of Honna Selly and some others is that the temple buildings of Someswara and Bore Devaru at Devalapura in the Nalgamangala Tq are in a ruined condition & that Inam lands were originally in the khata of the temples wherein Puja was being performed They pray that as worship has since ceased, the lands may be continued as Inam, proper arrange-ments being made for daily Puja.

It is reported that the temple buildings of Bore Devaru having come down, the idol is kept in Ganga-Viseswara temple and worshipped and that the temple of Someswara which is situated at a distance of half-a-kos from the village is in a dilapidated condition and that the Vigaha is ~~mutilated~~ mutilated.

Hag 4) & Hag 4) From the Inam Patte of Dundubhi Samvatsara and from the Vattumari list of 1858, and also Pahani extract of 1846-47 it is clear that these temples had originally Inam lands in their khata. It is reported that

On 9th May 1909, Shanbhogue Gundappa has deposed to say that his grandfather Rangundiah was originally paying Jodi and conducting worship in the temple, that the Patta of the lands was in his name but under orders of Govt. as the Inam lands were intended for the benefit of the Deities concerned, the Patta was transferred to the names of the deities concerned and adds that he

he is managing the temple and its Inam lands. In the concluding part of his report, the Amildar states that on enquiry, he came to know that the Shanbhogue was looking after the temple and had made arrangements for Puje by appointing an Archak and paying him monthly salary.

Haqve)

The Villagers have expressed their willingness to get the temples repaired and pray that the Inam lands of the two temples may be continued as before.

Haq V)

The Dy. Commr recommends that as the khata of the Inam lands is in the name of the Deity, Shanbhogue Gundappa be dis-possessed of the lands which may be leased out to the best advantage of the Temple and that the question of restoring the Inam to Byre Devaru and Someswara Temples may be deferred until the idols are repaired and Puje revived therein

Shanbhogue Gundappa is managing the instn satisfactorily.

As for the 2d, it is said that no accounts are maintained as his ancestors did not keep any and as the Temple was under private manage the idol having been consecrated by his ancestors and treated by his family as Tutelary Deity.

As regards the 3d, the income and the expr are reported to be 100 Rs.

As for the 4th, the expected income is reported be Rs 102, though the Villagers out of party-feeling estimate it at Rs 200.

The Dy Commr adds that the Shanbhogue is a respectable gentleman, that the villagers wish to dishonor him, that the Shanbhogue intends executing improvements to the instn at a cost of 400 or 500 Rs and that the Temple affairs will be neglected if Gundappa be deprived of the Temple lands.

Sir,

Adverting to your official memo-randum No. 815 dated 24th August 1908 and the marginally noted communi-cations calling for a report on the petition of Arale Honnasetty of Devala-pur regarding certain Inam lands in the Khata of the Someswara Swamy temple at Devalapur in the Naganan-gala Taluk, I have the honor to state as follows:—

The records herewith submitted shew

682 dated 15-1-1909 9-08

Shew that prior to the Inam Settlement in the Nagamangala Taluk which took place in 1880-81, Ganga Visweswara, Someswara and Bhyre Devaru temples were in the enjoyment of Magi numbers 40, 40 and 37. As the Someswara and Bhyre Devaru temples were in a dilapidated state, the Inam lands were cancelled and added to the Ganga Visweswara Swami temple where Puja is being conducted.

At the Survey settlement the afore-said Magi Nos were Shewn as Survey

Survey

Nos are reported to be in the

- of Shanbhogue Gundappa who has appointed an Archak on a pay of Rs 4/- per month out of the realizations from the Inam lands.

As the khata is in the name of the deity but enjoyed by Shanbhogue Gunda- -ppa I recommend that he be dispossessed of the Inam lands and the lands taken over under Government management and leased out to the best advantage of the temple.

The question of restoring the Inams to the Bhyre Devaru & Someswara temples may be deferred until the Institutions are repaired and puja revived therein.

Inam Branch

Sir,

In reply to your docket No. 2917 Inam-9-08-6 dated 11th June 1910 calling for further information regarding the Inam lands of the Someswara temple at Devalapur in the Nagamangala Taluk, I have the honor to state as follows:-

2 Shanbogue Gundappa is reported to be managing the institution Satisfactorily, an Archak on Rs 4/- per mensem being appointed and daily puja, Nivedana, deeparadhane to being regularly conducted.

conducted.

3 Gundappa States that proper accounts showing the income from the lands and the expenditure on the temple are not kept as his ancestors did not keep any and the temple was under private management, the idol having been consecrated in the temple by his ancestors and treated by his family as a Tutelary deity.

4. The income to the temple from the lands and the expenditure, are estimated at Rs 100/- per year respectively. (vide Katchapatti dated 15th July 1910 in the file)

5. If the land be leased out to others the expected income is reported to be

about

102—o (Vide mahazar dated 25th July 1910 in the accompanying file). In the Takrar petition dated 25th July 1910 (also filed with the records) the income is estimated at about Rs 200/-. The Amildar states that there is none who is willing to take up the lands for an annual gutta of Rs 200/- and that from enquiry it was ascertained that no one would pay more than Rs 100/- per year as gutta.

6. The Amildar further reports that there is party ill-feeling to some extent in the Devalapur village and those that are not in good terms with Gundappa who is a respectable land-holder and a member of the Dasara Representative assembly, wish to dishonor him by depriving him of the

temple

temple lands which have been in his Mgt
-nagement from a long time.

7 From the Amildar's report it will be seen that Gundappa intends construct-ing a compound wall to the temple and extending the present temple at his own cost amounting to four or five hundred rupees and that the temple affairs would be neglected if Gundappa be deprived of the temple lands.
